Location

Casa Frida is a studio apartment on the 1st floor of a 1950's building, located in one of the most central areas of Rome, near Saint Peter's Basilica, 100 metres from the underground stop (LINE A) CIPRO and 200 metres from VALLE AURELIA underground stop, where there is also a rail connection with the FM3 Line Roma-Viterbo. The apartment is in Via Angelo Emo n. 97; across a gate you will find a little alley that, on your left hand side, leads to the entrance of the building.
